

Let's Get This Party Catered!

At Jug's Catering, we don't just serve food, we bring the party. Every meal is cooked fresh on-site in our mobile kitchens, so your guests enjoy hot, delicious food straight from the grill.

Our all-you-can-eat buffet is served for a full two hours and includes your choice of one or two entrées, two hot homestyle vegetables, a fresh, crisp salad, and Jug's Famous Biscuits with sweet apple butter. Disposable tableware is included, making cleanup easy. Buffets are self-serve, relaxed, and designed to keep everyone coming back for more.

We arrive at least two hours prior to serving time to allow for setup. All we need is access to electricity, a few 8-foot banquet tables for food and drinks, and level ground for our trucks. Pricing is per person plus applicable tax.
